REMOTE CAR KEY 2022

INTO THE WORLD OF AUTOMOTIVE KEY DUPLICATION

Keyline propone una gamma di radiocomandi auto certificati ideali per la sostituzione degli originali in caso di smarrimento o danneggiamento, o per avere una copia di sicurezza.

Il design simile all'originale, con le stesse funzionalità sia per i radiocomandi di prossimità, slot o flip, e la qualità dei materiali e delle componenti elettroniche garantiscono un servizio di alta gamma. I radiocomandi Keyline possono essere programmati, oltre che con i dispositivi diagnostici Stak e Zed-Full, anche con altre strumentazioni presenti nel mercato.

La gamma dei radiocomandi Keyline ha la qualità certificata secondo le direttive del marchio CE.
